

2019 – 2020 Minnesota High School Hockey - Hockey Fights Cancer

Hockey Fights Cancer™ is a joint initiative started in 1998 between the National Hockey League and National Hockey League Player Association.

This season the Minnesota Wild and American Cancer Society are teaming up on Hockey Fights Cancer to unite the hockey community in support of cancer patients and their families.

Together, we look to inspire hope and courage for those who are living with, going through, and moving past cancer.

Join us to help the hockey family provide comfort and hope to those battling cancer.

Sign Up Today: Here's How to Get Started

Designate a home hockey game as Hockey Fights Cancer Day, where players, coaches, students, and the community rally in support of the American Cancer Society's mission. Raise funds, raise awareness, and make a difference in the fight against cancer.

Step 1: Register your team at: crowdrise.com/acshockeyfightscancer

Step 2: You will be contacted by your local American Cancer Society staff and the Minnesota Wild to help you get started planning your fundraising efforts. We are here to support your efforts and provide you with the tools you need to be successful. When your team registers to fundraise for Hockey Fights Cancer, you will receive:

- Official Hockey Fights Cancer helmet decals
- Lavender stick tape
- Letter of participation
- "I Fight For" signs to use at your Hockey Fights Cancer game

Step 3: Hold your Hockey Fights Cancer game and send in your fundraising dollars to receive rewards. Teams that reach certain fundraising levels will be eligible to receive exclusive Hockey Fights Cancer and Minnesota Wild items
