

SHARKS SLIME ACTIVITY

INGREDIENTS:

- 8 fl oz Elmers craft glue
- 2 tablespoons contact saline solution (more as needed)
- 2 tablespoon baking soda
- yellow and blue food coloring
- glitter (optional)

INSTRUCTIONS:

- 1) Add glue and food coloring to a container, mix until combined
*Tip: Combine 8 drops of blue and 2 drops of yellow to make Teal!
- 2) Mix in baking soda
- 3) Mix in saline solution (add more for a thicker consistency)
- 4) Knead the slime until it comes together
- 5) Add in glitter if you have it!
