Materials
- Clean empty gallon or milk jug
- String or wire
- Scissors
- Bird food (birdseed, sunflower seeds, etc)
- Markers/paints to decorate

Instructions
1) Mark an opening on the jug about 5 inches wide
2) Use scissors to carefully cut out the opening
3) Wrap your string/wire around the neck of the jug or punch small holes near the top and pass the string through
4) Decorate!
5) Fill with bird food
6) Hang outside and enjoy!
