LEAGUE RULES & POLICIES

League Philosophy

The Nashville Predators operate the best-in-class amateur ice facilities with a broad range of hockey and skating programs designed to serve all ages and abilities, focused on positive and challenging developmental programming to create a lifelong passion for hockey and skating.

League Format

Every team is guaranteed 13 games including playoffs. Playoffs will be a guaranteed three (3) games based on seeding from the regular season. Any exception or special circumstances must be approved by Adult League Coordinator or opposing team captain prior to the playoff game.

Game Format

- 60-minute games will consist of three, 12-minute stop-time periods plus a 3-minute warmup. (Players are not allowed to get on the ice prior to the Zamboni doors closing.)
- In the event of a six (6) goal differential in the 3rd period; a running clock will be put in place for the duration of the game, or until the goal differential is brought to four (4) goals.
- If a regular season game ends in a tie, the teams will proceed with a conventional 3-man alternating shoot-out. Winner is the team with highest score out of 3 shooters. If game is still tied after the 3-man shoot-out, the game will end in a tie. Home team shoots first, players alternate shots. No player may shoot twice.
- Playoff Shoot-out. After each team has taken three shots and the score remains tied, the shoot-out will proceed to a "sudden death" format. The game cannot end until each team has taken the same number of shots. No player may shoot twice until every player who is eligible has shot.
- For Rookie League and D League, icing will be Blue Line Icing. All other leagues will use standard Red Line Icing rules.

Forfeit Policy

- Any forfeit from a team will result in a 0-5 loss in the standings column. Additionally, the opposing team scheduled to face the forfeiting team has 48 hours to declare a game later in the season that they would like to switch (with the team who forfeit against them) based on game start time or matchup. Please coordinate the preferred game time to respective Adult League Coordinator, Carter Penzien cpenzien@nashvillepredators.com
- There will be a 3-strike policy for any games that are forfeited. 1st forfeit will serve as warning and the 2nd forfeit will make the team ineligible for playoffs. In event of a teams 3rd forfeit they will lose their spot within the league and a team on the league waitlist will be offered that spot for the following season. No exceptions.
- Any team that forfeits less than 24 hours before their allotted game time will be required to pay the "scheduled officials" fee. A fee will be placed on the captains Ford Ice Center account for \$125 and if the fee is not paid before the teams next game, that game will be counted as the 2nd forfeit which will result in disqualification of playoffs.

Equipment

- All players must wear helmet, gloves, skates, shin guards, elbow pads, and hockey pants at minimum. Players are strongly encouraged to wear shoulder pads but are not required.

- All teams MUST have matching jerseys (dark/light preferred). Jerseys MUST have matching colors and printed numbers clearly visible on every jersey at minimum. Subs are not exempted from this rule, each sub must wear the same jersey or a jersey of the same color with a number.
- Players with no number on jersey that are seen participating will result in a team forfeit. This may be reviewed retroactively, and the box score changed after completion of the game. This is up to the discretion of the adult coordinator.

Roster Structure, Approval, & League Placement

- Captains can have up to 25 skaters on a roster, **including** full-time players, subs and goalies.
- **Every team must have at least 11 full time registered players. If rosters do not meet the number requirement, the league officials have the right to add players from the free agent list until that number is met. It is strongly recommended teams add more than 11 full-time players, as subs are not allowed to play in playoffs, no exceptions.**
- Prior to each game captains are **required** to pick up their approved roster at the Ford Ice Center front desk and indicate players skating that night **with updated jersey numbers**, then bring the roster to the scorekeeper. The scorekeeper will verify the eligibility of each player. ***Any team with an ineligible player will result in an automatic forfeit.*** (For parity, the league has the right to retroactively review this and change box scores on a case by case basis.) **Teams that do not present their updated roster to the scorekeeper before the 3-minute warm-up period ends will be issued a 2-minute penalty for delay of game.**
- Rostered subs must pay the required \$20 sub fee prior to the start of the game. If unpaid, scorekeeper will ask the sub to leave the ice immediately. *(For parity see the Sub Policy section)*

Staff will make recommendations to team captains regarding roster adjustments (for competitive balance) and will allow ample time to determine what adjustments the team will make. - If a team plays with a substitute player who is not on the approved roster they must get it preapproved by the Adult League Coordinator and the opposing teams captain prior to the game.
