MESSAGE FROM SHARKS COMMUNITY

Sharks Sports & Entertainment was honored to incorporate fans, donors and non-profits in our annual Giving Campaign and fundraising efforts throughout the 2022-23 season. Thanks to the support of our corporate partners, benefactors, volunteers, board members, and Team Teal staff, the Sharks Foundation donated **$1,035,008** and impacted **240,973** lives throughout the year. In addition, we reached **40,000** youth through our interactive and engaging educational and fitness programs.

The Sharks hosted a variety of theme nights and celebrations at home games to celebrate the diversity of the Bay Area population and highlighted a variety of cultural and ethnic groups. Furthermore, in the spirit of the leaguewide principle that hockey is for everyone, Sharks Sports & Entertainment’s family of ice facilities supported the growth of the game by offering an extensive portfolio of opportunities that put hockey sticks in the hands of special needs and diverse players.

To see a sampling of what the Sharks accomplished in the community this season, watch the 2022-23 recap video [here.](#)

On behalf of all of Team Teal, we thank you for your unwavering support of our efforts and for your continued generosity.

Teal Together,

San Jose Sharks Community
In 1994, the Sharks Foundation was established as the official charitable arm of the San Jose Sharks. Since then, the Foundation has committed nearly $20 million to the community through Community Assist Grants, programs and projects including more than $1 million to 64 high-performing non-profits during the 2022-23 season.

MISSION STATEMENT

The Sharks Foundation is dedicated to enhancing the lives of underserved youth and families in the community with an emphasis in the areas of education, health and safety, and character development. The Foundation supplies emergency aid when appropriate, executes unique and relevant programming, supports the advancement of youth hockey, and provides financial support and resources to organizations that enrich the lives of those in need.
The Sharks Foundation and Community group’s expansive Giving Campaign focused on a number of causes throughout the season. Spanning from September 2022 to June 2023, the campaign identified a specific cause each month to support and featured key activations and monetary giving to non-profits that aligned with the focal area. The Giving Campaign included support from Sharks fans, players, coaches, broadcasters, executives, corporate partners, employees, and S.J. Sharkie.

Every April the Sharks Foundation launches its staple fund-giving program, the Community Assist Grant Cycle. The Foundation accepts applications for funding from public, 501(c)(3) non-profits that can commit to keeping at least 51% of funds received in the Bay Area for the betterment of youth or families. In their applications, the non-profits propose a program or project that aligns with one of the causes supported by the Sharks Foundation Giving Campaign.

During the 2022-23 season, the Sharks Foundation dedicated $504,200 through Community Assist Grants.

2022-23 Grant Highlights

Made possible by a $50,000 grant provided to Canine Companions, the Sharks Foundation was elated to announce Sharks Pup Gill as the newest member of Team Teal during their October Healthy Living campaign. The donation provided the funding needed for Gill to go through the process of becoming a working service dog. Upon graduation, Gill will be paired with a person with disabilities so they can live a more independent lifestyle. Gill was a staple Sharks VIP throughout the season and will continue to make appearances at SAP Center and Sharks events through February 2024.

As part of their mission, the Sharks Foundation provides timely emergency aid and relief grants. This season the Foundation donated $10,000 to the San Jose Parks Foundation’s Farmworker Caravan project in response to the deadly shooting that occurred in Half Moon Bay on January 23. The funding supported 40 families whose lives were impacted by the tragedy.
During the 2020–21 season, the Sharks Foundation and SAP made a three-year, $500,000 commitment, to CityTeam to fund and launch the Alameda County Mobile Food Pantry Expansion Project which was an extension of CityTeam’s Santa Clara County distribution model. With the funding, CityTeam was able to take this model into the East Bay as part of their five-year strategic plan to help end hunger in the Bay Area. They partnered with Alameda County Community Food Bank and selected 18 sites to serve low-income community members with fresh and accessible groceries. The grant also allowed CityTeam to purchase a new refrigerated box truck and aided them in launching a Community Clothing program and purchasing a new trailer to transport clothes.

During the 2022-23 season, the Foundation and SAP distributed $140,000 in grant funds to CityTeam. Additionally, the organizations partnered with the non-profit on holiday-inspired giving events including an online drive where SAP employees and members of the Sharks front office could purchase clothing, toys, and toiletries from a wish list which were distributed to Hayward residents in need. An additional $19,000 was provided to CityTeam during Holiday Assist Month with the intent of helping to narrow the digital divide that many Bay Area populations experience despite living in Silicon Valley. The funding purchased Chromebooks which were distributed at no cost to low-income families in Oakland. By December 2022, CityTeam had 16 of the 18 pantry sites operational, and that month alone distributed 61,000 lbs. of food to families in need. The final two pantries opened the following month.
Since 2014, the Goals for Kids program has been providing season culminating grants to Bay Area non-profits supporting youth and families. This season, for every goal scored by a Sharks player, a $1,000 donation was split amongst our seven non-profit beneficiaries who each specialize in diversity, inclusion, and belonging initiatives. In total, the 2022-23 program raised $234,000, providing each organization with a $33,429 donation.

MYSTERY PUCKS

Mystery Pucks are sold on the Concourse at designated home games and online throughout the season. Every puck is signed by a Sharks player and then wrapped so the player’s identity remains a surprise.

New this season, the Sharks Foundation launched a Mystery Puck Subscription. This service allowed fans to pre-purchase the entire 2022-23 Mystery Puck set for a flat rate at the start of the season. In addition to this year’s four puck designs, subscribers received an exclusive Doug Wilson Tribute puck autographed by a Sharks player of their choice. Pucks were shipped out prior to going on sale to the public, granting subscribers early and convenient access to each puck.

This year’s Mystery Puck designs focused on a “New Era” of Sharks hockey and included: Commemorating the home opener in Prague vs the Nashville Predators, an ode to the Sharks new General Manager Mike Grier, homage to the retirement of #12 Patrick Marleau, and a nod to the debut of the Sharks Evolve jersey.

Mystery Pucks raised $164,000 to support the Sharks Foundation’s Giving Campaign and Community Assist Grants.

PLAYER CARDS

This season the Sharks Foundation provided a new opportunity for fans to purchase merchandise to support the community. The Player Card Series fundraiser included five sets of limited-edition 3”(W) X 6”(H) cards, each set featuring a Sharks player. Adding to the fun, a select number of cards per set were autographed by the player himself, and a limited number of other cards featured a golden ticket that could be redeemed for a bonus item such as an autographed hat, stick, or other Sharks memorabilia. All cards were sealed in envelopes, maintaining the secret of what was inside. Player Cards were sold exclusively on the Concourse at designated home games at the Sharks Foundation Booth outside Section 118 for $10 each. This season’s series featured: Tomas Hertl, Kaapo Kahkonen, Thomas Bordeleau, Mario Ferraro, and Timo Meier, and raised nearly $9,000 for the Sharks Foundation.
Teal Together is more than a Sharks Sports & Entertainment campaign. It’s a rallying call for our organization as we strive to drive positive social change and foster more inclusive communities. The Sharks are committed to diversity, inclusion, and belonging in the sport of hockey, and beyond, and believe everything we do is for everyone regardless of age, race, ethnicity, religion, sexual orientation, or gender.

As part of that philosophy, the Sharks hosted various programs, events, and theme nights celebrating inclusion and our community.
On November 5, the Sharks celebrated Hispanic heritage and the Latinx culture with Los Tiburones Night presented by Milagro Tequila. Every fan in attendance received a t-shirt designed by Local Color artist Jorge “Jduh” Camacho. During warm-ups, Sharks players wore jerseys with Camacho’s design which were later auctioned off to provide Hispanic Foundation of Silicon Valley with a $15,200 donation. Latinas Contra Cancer served as the Foundation’s beneficiary of the 50/50 Raffle presented by Cache Creek Casino Resort. Play-by-play of the game was broadcasted live in Spanish on the Sharks Audio Network and NBC Sports California while Bay Area personalities Jesus Zarate and Amaury Pi-Gonzalez called the game from inside SAP Center. Festivities included a performance by Johan Solteo, a finalist on La Voz de Mexico, the Star-Spangled Banner performed by Gabriela Sepulveda, a former American Idol participant, and on-ice and intermission performances by Ballet Folklórico Mexicano Fuego Nuevo, Inc.

Prior to the theme night, the Sharks hosted a Street Hockey Festival in partnership with the City of San Jose Parks and Recreation Department. The event took place at the Roosevelt Outdoor Rink where instruction was lead in both English and Spanish in an effort to introduce the game to local Hispanic youth, and featured interactive games, giveaways, and food trucks. The festival kicked off a reimagined relationship with the city and the rink which was refurbished in partnership with SAP as the Sharks Foundation’s 2019 NHL All-Star Game Legacy Project.
**SPECIAL OLYMPICS FLOOR HOCKEY GAME**

On November 6, the Sharks hosted their 5th annual Special Olympics Floor Hockey Game in partnership with Del Grand Dealer Group (DGDG). The event took place at Bellarmine College Prep where Special Olympics Northern California (SONC) athletes and Sharks players participated in a unified scrimmage. Sharks broadcasters and coaches participated as commentators and referees for the event. The Sharks Foundation and DGDG provided SONC with a $10,000 Community Assist Grant that was used to support 600 athletes.

**MILITARY APPRECIATION**

On December 18, the Sharks honored those who serve while hosting their annual Military Appreciation game. Sharks players wore camouflage jerseys during warm-ups which were then auctioned and raised $10,000 for the San Jose Firefighters Burn Foundation. The donation will provide treatment and support to 10 youth burn survivors and their families. Pre-game ceremonies included a color guard and ceremonial puck drop from Staff Sergeant Anthony Jones. United Service Organizations (USO) served as the beneficiary of the 50/50 Raffle presented by Cache Creek Casino Resort and generated $8,910 to help them continue to strengthen America’s military service members by keeping them connected to family, home, and country, throughout their service to the nation. Prior to the game, the Sharks Foundation and Veritone teamed up with the USO to provide 1,000 holiday care packages to service members and their children.

**LUNAR NEW YEAR CELEBRATION**

On January 18, the Sharks hosted its first Lunar New Year Night to highlight the January 22 first new moon of the Lunar calendar for many Asian communities around the world. The celebration was anchored by a special Year of the Rabbit-themed Sharks crest created by San Jose native and tattoo artist Sarah Pham, which was worn by Sharks players on custom jerseys during warm-ups. The jerseys were auctioned and provided Vitalant with a $13,500 donation. Throughout the game, traditional greetings and well wishes were displayed around the arena, in addition to intermission performances from Rising Phoenix Lion and Dragon Dance Association. The jersey’s nameplates and numbers were designed by Local Color artist Dion Rollerson, a San Jose native who recently graduated from San Jose State University with a degree in Design Studies. The Sharks Pro Shop also featured artist collection merchandise from Rollerson. The jerseys were auctioned with net proceeds benefiting African American Community Service Agency. The 50/50 Raffle presented by Cache Creek Casino Resort raised $9,620 for Positive Coaching Alliance’s (PCA) Sports Can Battle Racism program. During the panel, Shine Together was presented with a $20,000 Community Assist Grant on behalf of the Sharks Foundation and Kaiser Permanente. Sharks corporate partners showed support of the night as all their dasherboard logos were changed to a rainbow design for the game. Player stalls were donned with Pride-themed nameplates and some players used Pride tape on their sticks during warm-ups; these items were utilized in the Sharks Foundation’s June Pride auction with proceeds benefiting Give Us The Floor and ACS.
